

# Visitor/Event Parking

Innovation Guelph has limited event parking during business hours.

Additional event parking can be found on surrounding streets, in the **West Parkade** of Old Quebec St. Mall (off Macdonell St.) and in the **Wilson Street parking lot**. We are also located a short walking distance from **Guelph Central Station**, which is a convenient terminal for local Guelph Transit bus routes, VIA trains, and GO transit services.

**Important Notice:** The parking lots at 111 Farquhar are monitored. Only the parking spaces marked **"GCC and IG Visitor"** are available for guests of Innovation Guelph. Parking in spaces that are otherwise designated could result in a ticket.
