

ANNOUNCING OUR 2021 INNOVATION EXPO, INNOVATION CHAMPION SPONSOR – [INVEST IN GUELPH!](#)

GUELPH, ON 2021 08 19 - [Innovation Guelph](#) is hosting its third annual Innovation Expo on October 21, 2021. This significant event celebrates and showcases over 100 innovative companies in a virtual tradeshow format that features two engaging keynote performances, a panel discussion, investor-entrepreneur speed-dating and other opportunities, to form lasting business relationships that contribute to our economy.

“The City of has been a longtime supporter of Innovation Guelph. We are excited to announce them as our first Champion Sponsor for 2021,” said Mickey Campeau, Innovation Expo manager. “Together, we support innovative entrepreneurs in the Guelph-Wellington ecosystem, helping them to grow and thrive, creating a favorable impact on our regional economy.”

Guelph is vibrant with businesses from a variety of sectors, including (but not limited to) cleantech, advanced manufacturing, agri-innovation, and technology. It is one of Canada’s fastest growing mid-sized cities. Only 45 minutes from Toronto, Guelph maintains low unemployment, a low crime rate, and a high standard of living. Guelph has just the right balance of city life and small-town friendliness and is a wonderful place to grow a business in.

As an Innovation Champion, the City of Guelph, through the Invest in Guelph brand, is demonstrating their leadership in the area of innovation and dedication to supporting business growth. “Innovation is at the core of entrepreneurship. A thriving economy depends on new ideas and growing businesses. We are happy to join Innovation Guelph and others at the Ontario Innovation Expo to celebrate and showcase some of this area’s rising stars,” said Christine Chapman, manager, economic development for the City of Guelph.

“Innovation Guelph appreciates the City of Guelph and its ongoing sponsorship of our Innovation Expo. They have supported us from the beginning,” said Anne Toner Fung, CEO, Innovation Guelph. “The companies being showcased at the Innovation Expo contribute to the economic growth and profitability of the region and are the innovative and scalable businesses that will attract new investment and talent to this great city.”
